

Kathy Green -

1-9-13.

I would like for you to know that in the case of "McRea" the Church Employee who was charged with Sexual abuse Against Thomas Grover whom I had known who is currently in the Supreme Court OR Appeals process..

I want you to know that I was not completely truthful with the Investigator "James Abbott". The Reason for this is He told me my mother "Trina Grover" "Trina Lamar" "Trina Gled" was having a Rough Time and that he would do what he could to help her out "Financially" etc.

It is my understanding He has given her a Cell Phone, Paid her Rent, had Intimate Relations with my mom, very Disrespectful, very unprofessional. And over all A very Good motivation to get False exculpatory from to people around Thomas Grover at the time!! I do for fact my mother has given him false statements for money!! or Gifts!!

I think it is very important that

You know this, because I am
Enclosing a letter to the Attorney General
and explaining this to them.

Also my mom has told me several times
Mr James Abbott has helped her out
financially, and told me these things
over the recorded prison phone,
so with that being said!!

I am very sorry if this hurts
your case, but Mr James Abbott's
unprofessionalism has created this
problem // there's proof of this relationship.
~~and would~~ Please take appropriate action.

Thank you!!
